

A Good Package Saves More Than It's Cost

CORE is pioneer in the field of automatic corrugation line in India with more than 20 years of experience. Our factory has a buildup area of 400000 Sq. Feet which allows to store the material and give finally supply on JIT Basis.... As a philosophy of providing Total Packaging Solutions we focus on design for which we have a design studio capable for graphic designs structural & packaging designs and providing alternate solution to wood & other material. To serve our customers better we have our sales offices at Ahmedabad, Rajkot & Baroda. We have a wide customer base which includes many renowned national & multinational companies in the field of Automobile, Pharmaceutical, Food Industries, Chemical Industries, Customer Products, Ceramic Industries, Electric & Electronics Product, Furniture etc.... We have Received many Awards in Different categories Like Consumer Package, Eco Friendly Package, Food Package, Pharmaceutical Package, Hazardous Chemical and Transport Package etc.... In addition to corrugated boxes, we are also in the field of Visual Merchandising, POP's like Cutouts, Floor & Table Top Dispensers

We have always aimed at becoming a strategic partner to our customer whose role goes beyond supplying Boxes. Please write to us about your packaging requirement & it will be our honor to offer you the best packaging solutions at the right price.
